CPI – Assignment – 2

1. Question (Individual Activity)

Objective: Develop a set of questions to explore a given topic deeply.
Instructions:

Topic: "**Improving Online Education**".

Write 10 questions covering different aspects using strategies like Who, What, When, Where, Why, How, Open-Ended, and Socratic questioning.

2. Question (Group Activity)

Topic: "**Design a sustainable city of the future**."

Objective: Students will explore a problem comprehensively by using all types of questioning strategies: Who, What, When, Where, Why, How, Open-Ended, and Socratic questions.

Instructions: Each group must create two questions for each question type:

- Who
- What
- When
- Where
- Why
- How
- Open-Ended
- Socratic
